MIMI THE BEAR

I've really
fallen for you,
Tanada-kun...

I wonder...
If I looked inside
your body, would
it be full of
delicious, delicious
sweat too?

I don't think
I can hold
myself back
any more... ♡

Bears have a
very high
capacity for
learning.

This is bad,
Tanada-kun...

If they learn
the taste of
human flesh,
they'll start
attacking
them.

Oh no.
Kimi-chan's
learned the
taste of
a human?

I'm
sorry...

I couldn't
stop myself
from licking
it...

This red stuff
that comes out
when I scratch
is delicious...

I'm, kinda
scared, ?

...Huh?

No
wings

The
vibrants
are, only
shadows

Yes, the
villains
are, not
dead

We're going to
live hand
together from
now on,
Tanaka-kun.
Together,
forever♥

It's cute,
right?

And I've decorated
it with all the
dots that get
lost in the zoo...

I had the
director make
the room for
me for when
I turn into
a girl...

Over and
over,
forever... ♡

①

So keep
letting out all
this yummy
red stuff~

Until I'm all
full up...

I'm going to
die... I'm
going to die!

Hi! I don't
get out of
here, she'll
eat me...

Don't
run!

I've got
to~

And if
that
happens...

That's
right!

If I run,
she really
will attack
me.

What will
they do
to her?

If she
really kills
me...

!?

MIMI!

I absolutely
can't do
that!

No!

SPRING!

Bears are normally covered in thick fur.

But with her skin exposed like this, she'll be super-sensitive!

But then you'll digest him, and you'll excrete him out, won't you?

T-TANEDA-KUN
WONT... GO
AWAY IF I EAT
HIM...? HE
WONT!

Ah!

HE'LL BE ONE
WITH ME, IN
MY BELLY!

Then someone
will clean him
away, and he'll
disappear away
down the drain...

You'll never see
him again...

Ah

And it's still...

It's going so deep...

Ah! IT'S TOO...

Are you really Mem-chan?

There you go... slowly lower your hips...

Then you'll really be filled up with Fana's thick, white love...

We're not done yet, Mem-chan...

If you rub his dick up and down...

Things deeper...

Ah!

It's filling me up...

Taneda-kun

Taneda-kun

Make sure to make Taneda-kun feel good too, okay?

I love you

It feels incredible!

Taneda-kun

My insides feel so good!

That's good, then—ahh...

Oh. She was so scary before, but now she's

Kuh

She's so cute...

Please

Taneda-kun, please... Please give me your... white stuff...

MIMI

A HUMAN DOESN'T STAND A CHANCE AGAINST A BEAR! THEY'RE SO SCARY!

MY FEAR OF BEARS WAS FIRST TRIGGERED BY AKIRA YOSHIMURA'S NOVEL 'KUMA AZASHI'. THE REALISATION THAT THERE IS AN ANIMAL THAT UTTERLY OUTCLASSES HUMANS ABSOLUTELY TERRIFIED ME.

BUT ON THE SURFACE, THERE'S SOMETHING VERY CUTE ABOUT THEM. THEY HAVE SOME ODDLY HUMAN-LIKE HABITS, LIKE THE WAY THEY SEEM TO WALK WITH A LITTLE SPRING IN THEIR STEP.
